

## ALLEGED DEFECTIVE MATERIAL REPORT

Warranty claims require proper documentation and must be submitted within 30 days from the date the clutch was removed. To submit a warranty claim you **MUST** complete this form in its entirety and fax to Fil-Mor Automotive. Include a copy of the form with the returned item(s). Contact our office for a RGA (Returned Goods Authorization) prior to returning goods.

**The release bearing and pilot bearing should be returned along with the clutch and, if possible, the flywheel and other related components should be returned as well.**
